44 and suddenly passed away, highlighting his volunteer services to the Town. She provided an update on
45 the Town's Halloween and Tree-Lighting event and announced more events to come in the month of
46 December, with a final list of programs to be published in the January edition of the C4PI (Citizens for

47 Ponce Inlet) newsletter. Ms. Alex stated the Cultural Services Department has a new office and
48 encouraged anyone to stop by if they have any questions. She explained the utility box wraps will be
49 discussed at a future meeting. Ms. Kessler asked for information on the three upcoming Santa Runs;

61
62 **6. OLD BUSINESS:** *None.*

63
64 **7. NEW BUSINESS:**

65
66 **A. Marker for William “Cocoa Bill” Williams** – Ms. Alex explained this request came
67 from two residents, Ms. Julie Davis and Ms. Tara Lamb to honor William “Cocoa Bill” Williams, an
68 African American individual whose contributions significantly shaped the Town. Due to Cocoa Bill’s
69 involvement with the Hasty family, staff proposes the marker be located near the Hasty Cottage at the
70 Ponce Inlet Historical Museum; staff also recommends the marker be consistent in design and material
71 to the other historic markers throughout Town. If the size of the marker is to be around 2’x2’, the costs
72 are estimated to total \$3,500. Due to the marker not being budgeted, staff is open to considering
73 alternate funding sources. Ms. Alex explained the anticipated timeline for completion of the project.
74 After brief discussion, the board gave consensus that the sepia tone photo was easier to read, the sign
75 should be consistent in design with other historical markers around the Town, and the proposed location
76 near the Hasty Cottage was appropriate. Ms. LaBarre requested information on alternative funding and
77 Ms. Alex explained that if no alternative funding is available, the marker will be brought to the Town
78 Council for future budget consideration. Ms. Julie Davis, 87 Jennifer Circle, provided information on
79 Cocoa Bill and his impact on the Town, his tragic passing, and potential timelines for this project to be
80 completed. Ms. Keese inquired if the Town has ever hosted a fundraiser for this type of project; Ms.
81 Alex explained staff would research the idea. There was a brief discussion on the next steps to complete
82 the project. Ms. Kessler questioned whether there was significance to the marker stating, “South
83 Atlantic Avenue just south of the Daytona Beach city limits.”; Ms. Tara Lamb, 145 Bounty Lane,
84 explained she was in possession of Cocoa Bill’s death certificate and decided to keep the verbiage as
85 close and accurate to what was stated on the record. Discussions ensued regarding verbiage
86 recommendations and historical events of Ponce Inlet’s past. Chair Bell asked if there is potential for
87 excess funds being found in the current budget; Ms. Alex explained there is a possibility, and this will
88 be determined during the mid-year budget review.

89
90 *The Board recommended to retain the location for the marker as presented, select the sepia tone photo,*
91 *accept the verbiage as presented with the potential for revisions after further discussion, and to present*
92 *this to the Board in Spring during the budget considerations for FY 25/26; The motion PASSED by*
93 *consensus, 5-0.*

94
95 **8. PUBLIC PARTICIPATION:** There was no public participation.
96

98 Pacetti hotel recently and encourages everyone to do the same. Chair Bell explained her term for Seat
99 5 expires on December 31, 2024, and she has decided not to reapply to the Board. After 12 years of
100 service of volunteering on Boards, she will be dedicating her time to other worthwhile endeavors while

Florida's Sunshine Law & Public Records Law

FLORIDA SUNSHINE, PUBLIC RECORDS, AND CODE OF ETHICS LAWS

This presentation is intended to provide a general overview of Florida Sunshine and Public Records law and the Florida Code of Ethics. For specific guidance or a legal opinion, please contact the Attorney's office.

All boards or commissions of any state, county, municipal corporation or political subdivision have a legal obligation to comply with:

- The Sunshine Law, and
- The Public Records Law, and
- The Florida Code of Ethics.

THE LAWS

■ SUNSHINE LAW [FS §286.011 (“Sunshine Law”) and FL Constitution Art. I, Sec. 24]

Protects the public from “closed door” decision making and provides a right of access to governmental meetings.

■ PUBLIC RECORDS LAW [FS Chap. 119]

Creates a right of access to records made or received in connection with official business of a public body.

■ CODE OF ETHICS [FS 112, Part III, Code of Ethics for Public Officers and Employees and the FL Constitution Art. II, §8]

Protects against conflict of interest and establishes standards for the conduct of elected official and government employees in situations where conflicts may exist.

Committee type determines the applicability of these laws. There are two types of committees:

1. Decision Making Committees
2. Fact Finding/Focus Group Committees

1. Decision Making Committees - become part of the governing body’s decision making process and:

- Choose alternatives and direction; narrow or eliminate options for the governing body’s consideration.
- Make decision by voting.
- Make recommendations to the governing body directly or through staff.
- Create by-laws.

2. Fact Finding/Focus Groups - provide a source of community input and factual resources and:

- Have no characteristics of a Decision Making Committee.
- Do not need by-laws.
- Provide individual input, data and factual findings to staff, as part of staff’s development in its advisement to the governing body.
- Do not take votes.
- Maintain a brainstorming focus.

THE SUNSHINE LAW - gives the public access to meetings of “any board or commission of any state agency or authority or of any agency or authority of any county, municipal corporation, or political subdivision” (“Governing Body”) AND

- Allows the public to observe each preliminary step leading to the final decision.
- Prevents the governing body from creating closed committees that narrow the governing body’s decisions.
- Applies to appointed committees.
- An AG opinion advises it also applies to an individual Board member, appointed to negotiate, narrow decisions, or make decisions for the full board.

MEETINGS SUBJECT TO THE SUNSHINE LAW - include formal or casual discussions about a matter on which the governing body may foreseeably take action, between:

- Two or more members of the governing body, or
- Two or more members of a Decision Making Committee.

Discussions may occur through telephone or e-mail communications, or exchanges during workshops, social events, football games and neighborhood barbeques.

■ **THE SUNSHINE LAW IMPOSES THREE OBLIGATIONS OF OPENNESS**

1. Reasonable notice of meetings subject to the Sunshine Law must be given; requires giving the public reasonable and timely notice so they can decide whether to attend.

What is “reasonable” or “timely” depends on the circumstances. Does not necessarily require a newspaper advertisement (contact the Attorney’s office for guidance).

2. Public must be allowed to attend meetings; however there is no obligation to allow the public to participate.
 - Meetings cannot be held at exclusive or inaccessible facilities.
 - No evasive actions are allowed, such as:
 - a. Circulating written reports to elicit responses or positions on issues.
 - b. Using staff, lobbyists, or other means to seek other members’ positions about issues.
3. Minutes of the meetings are required. Written minutes must be taken and made available promptly.
 - Sound recordings may also be used, in addition to written minutes.
 - Minutes may be a brief summary of meeting’s events.
 - Minutes are public records.
 - Minutes must record the votes.

■ **THE SUNSHINE LAW APPLIES WHEN:**

- Two or more members of a governing body discuss a matter that may foreseeably come before the governing body.
- A governing body moves any part of its decision making process to a committee or group, thereby appointing an “alter ego.”

According to an AG opinion, this may also include an individual Board or Committee member appointed formally or informally to negotiate, narrow or eliminate options or decisions for the full Board or Committee.

- **THE SUNSHINE LAW DOES NOT APPLY TO:**
 1. Committees or groups appointed to engage only in fact-finding activities.
 2. Created focus groups or other such committees that:
 - a. Only provide individual input, data and facts as part of staff's development in its advisement to the governing body.
 - b. Do not narrow options.

The Sunshine Law is *broadly* construed. ~ Exemptions are *narrowly* construed.

- **SUNSHINE LAW:**
Penalties for Noncompliance (also applies to Decision Making Committees)
A violation of the Sunshine Law by the governing body or a Decision Making Committee, can nullify governing body's decisions.
- **Criminal Penalties:**
 1. It is a second degree misdemeanor to knowingly violate the Sunshine Law.
 2. Is Punishable with a fine of up to \$500 and/or up to 60 days imprisonment.
- **Other Penalties Include:**
 1. Removal from position.
 2. Payment of attorney's fees incurred by the challenging party, as well as declaratory and injunctive relief.

SENTENCED TO JAIL FOR SUNSHINE LAW VIOLATIONS:
Suspended Escambia County Commissioner, W.D. Childers, was sentenced to 60 days in jail for discussing redistricting in a telephone conversation while fellow commissioner listened on a speaker phone, and pleaded no contest for talking with two fellow commissioners about county building projects in front of a staffer.

- **PUBLIC RECORDS LAW:**
Public Records Include: All documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of physical form or means of transmission made or received pursuant to law in connection with transaction of official business by the agency. (Fl. Stat. Chapter 119)

THE PUBLIC RECORDS LAW APPLIES TO:

- Records developed by the governing body, Board Appointed Committees, and employees;
- All types of records including written communications, letters, notes and e-mails. Numerous exemptions are identified in FS 119.07 and other statutes.

Public Records Requests can be made:

- Verbally or in writing,
- By any person.

THE GOVERNING BODY OR APPOINTED COMMITTEE:

- Has a "reasonable" time to respond.
- Can charge for the cost of retrieving records if the amount requested is voluminous.
- Can charge 15 cents/page.

THE PUBLIC RECORDS LAW DOES NOT REQUIRE:

- The retention of records (this is covered under the State's records retention policy).
- The creation of records or the provision of records in the format requested.
- And explanation of the records.

FLORIDA CODE OF ETHICS:

- **ADDRESSES:**
 - a. Standards of conduct
 - b. Voting Conflicts
 - c. Financial Disclosure
 - d. Prohibits certain action or conducts.
 - e. Requires certain disclosures be made to the public.

Standards of Conduct Prohibit Public Officials from:

- **Soliciting and Accepting Gifts** - May not solicit or accept anything of value that is based on an understanding that their vote, official action, or judgment would be influenced by such a gift.
- **Accepting Unauthorized Compensation** - May not accept any compensation, payment, or thing of value that is given to influence a vote or other official action.
- **Misusing his/her Public Position** - May not corruptly use their official position to obtain a special privilege for themselves or others.
- **Disclosing or Using Certain Information** - May not disclose or use information not available to the public and obtained by reason of their public positions for the personal benefit of themselves or others.
- **Doing business with their agency** - A public official's agency may not do business with a business entity in which the public official, or their spouse or child own more than 5% interest.
- **Engaging in Conflicting Employment or Contractual Relationships** - A public official may not be employed or contract with any business entity regulated by or doing business with his or her public agency.

THE GOVERNING BODY MAY WAIVE THE LAST TWO PROHIBITIONS, AS THEY RELATE TO APPOINTED COMMITTEES.

Voting Conflicts of Interest

- Requires no County, municipal, or other Local Public officer (including members of the appointed committees) shall vote in an official capacity upon any measure which would inure to the special private gain or loss of themselves, any principal or entity by whom they are retained, other than an agency as defined in the Fl. Stat. 112.312(2), or to any relative or business associate.
- Requires that public officers, including members of decision making committees:
 1. Must announce the nature of the conflict before the vote; abstain from voting; and file a memorandum of voting conflict
 2. May not participate in the discussion without first disclosing the nature of their interest in the matter (either in writing prior to the meeting, or orally as soon as they become aware that a conflict exists).

BECOMES AN ISSUE WHEN STAKEHOLDERS ARE APPOINTED TO DECISION-MAKING COMMITTEES

- **FINANCIAL DISCLOSURES**

Appointed committee members with land-planning, zoning or natural resources responsibilities must file an annual financial statement.

OPEN GOVERNMENT OVERVIEW:

Sunshine Law and Public Records Law

Patricia R. Gleason
Special Counsel for Open Government
Attorney General Pam Bondi

SUNSHINE LAW

- Florida's Government in the Sunshine Law provides a right of access to governmental proceedings at both the state and local levels. In the absence of statutory exemption, it applies to any gathering of two or more members of the same board to discuss some matter which will foreseeably come before that board for action.

Scope of the Sunshine Law

- Board members may not engage in private discussions with each other about board business, either in person or by telephoning, emailing, texting or any other type of electronic communication (i.e. Facebook, blogs).

Scope of the Sunshine Law

- While an individual board member is not prohibited from discussing board business with staff or a nonboard member, these individuals may not be used as a liaison to communicate information between board members. For example, a board member cannot ask staff to poll the other board members to determine their views on a board issue.

SCOPE OF THE SUNSHINE LAW

There are three basic requirements:

- 1) Meetings of public boards or commissions must be open to the public
- 2) Reasonable notice of such meetings must be provided;and
- 3) Minutes of the meetings must be prepared promptly and open to public inspection.

SCOPE OF THE SUNSHINE LAW

- The Sunshine Law applies to advisory boards created pursuant to law or ordinance or otherwise established by public agencies or officials.

Scope of the Sunshine Law

- Staff meetings are not normally subject to the Sunshine Law.
- However, staff committees may be subject to the Sunshine Law if they are deemed to be part of the “decision making process” as opposed to traditional staff functions like factfinding or information gathering.

Scope of the Sunshine Law

- Only the Legislature may create an exemption from the Sunshine Law (by a two-thirds vote).
- An exemption from the Public Records Law does not allow a board to close a meeting. Instead, a specific exemption from the Sunshine Law is required.

Board meetings

- While boards may adopt reasonable rules and policies to ensure orderly conduct of meetings, the Sunshine law does not allow boards to ban nondisruptive videotaping, tape recording, or photography at public meetings.

Board meetings

- Section 286.0114, F.S., provides, subject to listed exceptions, that boards must allow an opportunity for the public to be heard before the board takes official action on a proposition. The statute does not prohibit boards from “maintaining orderly conduct or proper decorum in a public meeting.”

Penalties

- Civil action
 - Action taken in violation of the Sunshine Law may be invalidated.
- Criminal penalties
- Suspension or removal from office

PUBLIC RECORDS LAW

- Florida's Public Records Act, Chapter 119, Florida Statutes, provides a right of access to records of state and local governments as well as to private entities acting on their behalf.
- If material falls within the definition of "public record" it must be disclosed to the public unless there is a statutory exemption.

The term “public records” means:

- a) All “documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software or other material, regardless of the physical form, characteristics, or means of transmission” **(includes electronic communications like text messages, emails).**
- b) Made or received pursuant to law or ordinance or in connection with the transaction of official business
- c) By any agency [including a private entity acting ‘on behalf of’ a public agency]
- d) Which are used to perpetuate, communicate, or formalize knowledge

PROVIDING PUBLIC RECORDS

- a) Public records cannot be withheld at the request of the sender
- b) A requestor is not required to show a “legitimate” or “noncommercial interest” as a condition of access
- c) A request cannot be denied because it is “overbroad”
- d) Unless authorized by another statute, an agency may not require that public records requests be in writing or require the requestor to identify himself or herself

PROVIDING PUBLIC RECORDS

- The Public Records Act does not contain a specific time limit (such as 24 hours or 10 days).
- The Florida Supreme Court has stated that the only delay in producing records permitted under the statute is the reasonable time allowed the custodian to retrieve the record and redact those portions of the record the custodian asserts are exempt.

PROVIDING PUBLIC RECORDS

- An agency is not required to comply with a “standing” request for records that may be created in the future.
- An agency is not required to answer questions about the public records (other than information on how to obtain them, like the cost)
- An agency is not required to create a new record

PROVIDING PUBLIC RECORDS

- Chapter 119 authorizes the custodian to charge a fee of up to 15 cents per one-sided copy for copies that are 14 inches by 8 1/2 inches or less. An additional 5 cents may be charged for two-sided copies. For other copies, the charge is the actual cost of duplication of the record. Actual cost of duplication means the cost of the material and supplies used to duplicate the record but does not include labor or overhead cost.

Fees

- In addition to the actual cost of duplication, an agency may impose a reasonable service charge for the actual cost of extensive labor and information technology required due to the large volume of a request.

Retention

All public records must be retained in accordance with retention schedules approved by the Department of State

Even exempt records must be retained.

Penalties for noncompliance

- a) Criminal penalties
- b) Civil action
- c) Attorney's fees

Martin County's Sarah Heard Indicted and Booked for Public Records Violations

By [BARBARA CLOWDIS](#) (SOURCE: [BARBARA CLOWDIS](#))
January 5, 2018 - 8:15am

The story of Florida public records law violations in Martin County moved further into the public light Thursday for County Commissioner Sarah Heard and former commissioner Anne Scott.

Heard was indicted and booked on two criminal counts of violating public records laws, according to the Martin County Sheriff's Office. She was released on her own recognizance after her fingerprints and mug shot were taken.

Her charges are criminal misdemeanors that could lead to a fine and/or jail time if she's found guilty. She also could be removed from office by the governor.

Thursday's charges were in addition to a previous non-criminal infraction filed by the prosecutor Nov. 27 for not responding to a public records request in January 2013, to which she pleaded not guilty.

A hearing date was set for Feb. 19. The state prosecutor informed Heard's attorney, Barbara Kibbey Wagner, during a December court hearing that five days needed to be set aside for the hearing due to the case's complexity.

Officials close to the case, however, anticipate the additional misdemeanor charges will result in a request for a hearing continuance. Heard also may now ask for a jury trial, if she pleads not guilty.

Heard is up for re-election in August for the District 4 County Commission seat; however, she has not yet filed, according to Martin County Elections Office records.

Former commissioner Scott, of Jupiter Island, also was charged Thursday with two additional criminal misdemeanor counts of violating public records laws. She, too, was booked and released on her own recognizance, according to the Martin County Sheriff's Office.

Lawsuit alleges Sarasota city manager broke public records law

The suit asks a judge to grant an accelerated hearing in the case, and declare that Barwin and the city violated state record retention rules and the Sunshine Law

SARASOTA — A lawsuit filed Thursday against Sarasota City Manager Tom Barwin and the city alleges that the top administrator's frequent failure to produce city-related discussions from his private Gmail account as part of numerous public records requests broke state open records law and eroded public trust in local government.

The suit, filed by Michael Borfield, a paralegal consultant and president of the Florida American Civil Liberties Union, asks a judge to grant an accelerated hearing in the case, and declare that Barwin and the city violated state record retention rules and the Sunshine Law, which is intended to guarantee that citizens have access to public records and the decision-making of governmental officials. The 23-page suit requests a judge to order Barwin and the city to follow the law, make records on Barwin's personal electronic devices available for inspection, pay Borfield's legal fees and award any other relief the court deems appropriate.

Conducting a Meeting

“Cheat Sheet”

BOARD MEETING “CHEAT SHEET” - A GUIDE

Note: you must be recognized by the Chair prior to speaking, by stating “*Chairman, I have a question*” or “*Chairman, may I make a comment*”. This procedure prevents members from speaking over each other and avoids confusion when preparing minutes.

Meeting Procedures: Meetings generally run in the following order (according to an approved agenda format):

1. Call to Order and Pledge of Allegiance
2. Roll Call / Determination of Quorum
3. Adoption of Agenda
4. Approval of Minutes (of prior meetings)
5. Report of Staff
6. Correspondence and Disclosure of Ex-parte Communication
7. Hearing of Cases
8. Business Items
9. Public Comment
10. Board Discussion
11. Adjournment

1. Call to Order and Pledge of Allegiance – the Chair will call the meeting to Order, noting the date, Board name, and time. The Chair leads attendees in the Pledge of Allegiance.

2. Roll Call and Determination of Quorum - the Board Secretary will perform the roll call to determine a quorum and document member’s attendance/absence.

3. Adoption of the Agenda – the Chair will ask if there are any changes to the Agenda; a motion and second to “adopt agenda as presented” - or - “adopt the agenda as amended” is required. A vote by consensus is acceptable (all in favor/opposed).

4. Approval of the Minutes – the Chair will ask if there are any changes to the Minutes; a motion and second to “approve the minutes as presented -or - as amended” is required. A vote by consensus is acceptable (all in favor/opposed).

5. Report of Staff - Staff will provide an update to projects currently under review.

6. Correspondence and Disclosure of Ex-parte Communication - the Chair will ask if any correspondence has been received regarding any of the items on the agenda; the Chair asks members to disclose ex-parte communication.

7. Hearing of Cases (Quasi-Judicial) – the Chair should refer to the procedure designated in the “Formal Quasi-Judicial Hearings” guide or consult the Board Attorney. All matters decided during hearings must be by **roll-call vote**, indicating which members voted for or against the issue as a matter of clarity for the record.

8. Business Items (Non-Quasi-Judicial) – staff introduces the item, providing relevant information and making a recommendation. Once finished, the Chair will ask for public comments. After the public has had the opportunity to comment, the Chair will bring the item back to the Board for discussion and deliberation. Board members discuss their viewpoints on the item. If action is required, the Chair will ask for a motion and second. A **roll-call vote** is taken indicating which members voted for and against the issue as a matter of clarity for the record.

9. Public Comment – the Chair asks if any members of the public wish to speak about an item not listed on the agenda.

10. Board Discussion – the Chair asks if any member of the Board wishes to discuss a topic not listed on the agenda. *Note: it is common to add discussion items in advance during Adoption of the Agenda section.*

11. Adjournment – the Chair may ask for a Motion to Adjourn, followed by a second, and vote to adjourn by consensus; or the Chair may simply adjourn the meeting and state the time.

Motions and Voting:

The Town follows a simplified version of Robert’s Rules of Order. Nearly everything can be accomplished in a meeting by a **Main Motion** and/or by **Amending a Main Motion**.

How a Main Motion is brought: used when a member wants to propose action by the Board.

- A member states: “I move that” (or ‘to’) ...
- Another member seconds the motion
- The Chair requests public comment
- The Chair requests Board comment
- The Chair requests a vote
- If a majority votes in favor of the motion, then the motion **PASSES**. If a majority votes in opposition to the motion, or if the vote is a tie, then the motion **FAILS**. The Board Secretary will state the results.

Amending a Main Motion: A member may make a motion to amend a main motion. The Chair will then ask for a member to second the amended motion. If seconded, then the Chair may deem the motion amended; if not seconded, the amendment dies and the original motion stands.

Other motions: A *Motion to Rescind* or *Motion to Consider* may also be made, but these types of motions are rarely utilized and can be explained by the Attorney if needed.

Voting: All members present must vote on the agenda item unless a conflict is declared. In those instances, a Form 8B will be provided to the member, who must complete and return the form to the Board Secretary for filing with the meeting minutes.

Section IV

Robert's Rules of Order & Parliamentary Procedure

Robert's Rules of Order & Parliamentary Procedure

- I. What is Parliamentary Procedure?
It is a set of rules for conduct at meetings that allows everyone to be heard and to make decisions without confusion.
- II. Why is Parliamentary Procedure important?
Because it is a time-tested method used for conducting business at meetings and it can be adapted to fit the needs of any organization. Robert's Rules of Order is the basic handbook of operation for most organizations – so it is important to know the basic rules.
- III. Organizations using Parliamentary Procedure usually follow a fixed order of business called an Agenda.
- IV. The method used by members to express themselves is in the form of “motions”. A motion is a proposal that the entire membership take action or a stand on an issue.
Individual members can:
 1. Call to Order
 2. Second motions
 3. Debate motions
 4. Vote on motions
- V. How are Motions presented?
 1. Obtaining the floor:
 - a. Wait until the last speaker has finished
 - b. Raise your hand and address the Chairman by saying, “Mr./Madam Chairman”
 - c. Wait until the Chairman recognizes you before speaking
 2. Make your motion:
 - a. Speak in a clear and concise manner
 - b. Always state a motion in the positive (for example, say, “I move that we ...” rather than, “I move that we do not ...”)
 - c. Avoid personality conflicts and stay on topic
 3. Wait for someone to second your motion: another member will state second, or the Chairman will call for a second. If there is no second to the motion, the motion dies.
 4. The Chairman re-states the motion:
 - a. The Chairman states, “it has been moved and seconded that we ...”. Thus placing your motion before the members for consideration and action.
 - b. The membership then either debates your motion or may move directly to a vote.
 - c. Once your motion is presented to the membership by the Chairman, it cannot be changed by you without the consent of the members.
 6. Expanding on Your Motion:

- a. Now is the time for you to speak in favor of your motion – not when you first make the motion.
 - b. The **mover** is always allowed to speak first.
 - c. All comments and debate must be directed to the Chairman.
 - d. The mover may speak again **only** after all other speakers are finished (unless called upon by the Chairman).
7. Putting the Question (Motion) to the Membership:
- a. The Chairman asks, “Are you ready to vote on the motion?”
 - b. If there is no more discussion, a vote is taken.
 - c. The Board Secretary will state the results for the record.
- VI. Voting on a Motion: The method of vote on any motion depends on the situation and the By-laws of the Board. These are typical methods:
- 1. By **Voice** – the Chairman asks those in favor to say, “aye”, those opposed to say “no”. Any member may move for an exact count.
 - 2. By **Roll Call** – the member answers “yes” or “no” as his/her name is called. This method is used when a record of each person’s vote is required or desired.
 - 3. By **General Consent** – when a motion is not likely to be opposed, the Chairman says, “if there is no objection ... “ The membership shows agreement by their silence, however if one member says, “I object,” the item must be put to a vote.
 - 4. By **Ballot** – members write their vote on a slip of paper; the Clerk calculates and announces the results to the Chairman.

These are two other motions that are commonly used:

- 1. **Motion to Table** – this motion is often used to provide an extended, indefinite period of time to resolve concerns before a final vote is taken. Tabled items are removed from subsequent meeting agendas until brought back by a vote of the Board. The option is always present, to “take off the table” for reconsideration by the membership.
- 2. **Motion to Continue to a Date Certain** – this motion is used to allow a limited period of time to obtain additional information, resolve outstanding issues, or reschedule an item that has been previously advertised and noticed. No further public notice is required as long as the date and time of the future meeting are announced. The discussion on that particular item “continues” to the future date.

Robert’s Rules of Order and Parliamentary Procedure provides a standard of orderly framework for getting work done. Your meetings will be successful and productive by following these tips:

- 1. Allow motions that are in order;
- 2. Have members obtain the floor properly;
- 3. Speak clearly and concisely;
- 4. Obey the rules of debate; and most importantly ...
- 5. Be courteous.

Town's Policy for Use of Social Media by Board Members

Per Resolution 2020-17

Town of Ponce Inlet Policy for Use of Social Media by Board Members

3.0 Informational Policy

3.1 Policy

The Town understands that social media can be a beneficial and rewarding way for individuals to share information about themselves and interact with others and the public at large. However, when it comes to members of the Town Council, as well as other Town boards and committees, use of social media can violate Sunshine and Public Records laws when discussing public business, resulting in potential litigation and even criminal charges. In addition, using a Social Media Channel for official statements can transform the Channel into a “public forum” subject to First Amendment considerations. The following is a policy for use of social media to be used as guidance to avoid creating actual or perceived violations of the First Amendment, as well as Sunshine and Public Records laws.

3.2 Definitions

For purposes of this Policy:

Board Member means a member of the Town Council, or any Town Board or Committee which is subject to Section 286.011, *Florida Statutes*.

Social media content or content means and includes any materials, documents, photographs, graphics, or other information that is created, posted, distributed, or transmitted on a Social Media Channel.

Posts or Postings mean information, articles, pictures, videos of any other form of communication posted on a Social Media Channel.

Social Media Account means the legal arrangement with a social media provider to authorize use of a social media tool. For example, a Facebook account authorizes use of Facebook.

Social Media Tool means an online utility that provides for mass communication, such as message boards, web sites, and blogs. Specific examples include Facebook, Twitter, LinkedIn, YouTube, Pinterest, and Instagram. Social media tools may provide for one-way or two-way communication.

Social Media Channel means a specific social media platform available through a Social Media Account. For example, each Facebook Page opened through the establishment of a Facebook account is a Social Media Channel.

Personal Social Media Channel means a specific social media platform available through a Social Media Account managed by an Employee which is not associated with the Town, such as an Employee’s personal Facebook page.

3.3 Guidance

- A. Any Board Member who uses a Social Media Channel to make statements relating to public business should not prevent any other user from interacting with any post on that Social Media Channel. Board Members may not take any action to make any individual's comments or replies to posts on the Social Media Channel less visible to others. If available, Board Members may instead choose to turn off replies and comments entirely on any given post.
- B. Board Members should not interact with other members of their same board through Social Media Tools on any matter which could be perceived as relating to public business. "Interacting" includes both substantive and non-substantive interactions, such as commenting on one another's posts, tagging one another on statements, liking one another's posts, or making any statement explicitly or implicitly referring to a member of the same board.
- C. Board Members should not use a Social Media Channel to state an opinion on a matter which may come before their board in a quasi-judicial capacity. Board Members should avoid engaging in *ex parte* communications regarding quasi-judicial matters through Social Media Tools. If a Board Member does communicate regarding a quasi-judicial matter using a Social Media Tool, the Board Member shall disclose such *ex parte* communications at the relevant hearing on the matter.
- D. Board Members should avoid making any statements regarding public business through posts which are not publicly available. For the purposes of this policy, "publicly available" shall mean accessible by hyperlink without any required sign-in or other credential. If a Social Media Tool does not provide for the creation of publicly available posts, Board Members should refrain from utilizing that Social Media Tool.
- E. Whenever a Board Member makes any statement regarding public business using a Social Media Tool, including a reply to another user's post, the Board Member should immediately create a copy of the statement and provide the copy to the Town Clerk. The copy may either be physical form or a computer file, such as a PDF. Board Members who desire technical guidance in creating a copies of social media posts should contact the Town Clerk.
- F. Board Members may not delete any posts which relate to public business.
- G. The Town reserves the right to change, modify, or amend all or part of this policy at any time.

However, conduct by such officer or employee that is prohibited by, or otherwise frustrates the intent of, this section shall be deemed a conflict of interest in violation of the standards of conduct set forth by this section.

2. When the agency referred to is a legislative body and the regulatory power over the business entity resides in another agency, or when the regulatory power which the legislative body exercises over the business entity or agency is strictly through the enactment of laws or ordinances, then employment or a contractual relationship with such business entity by a public officer or employee of a legislative body shall not be prohibited by this subsection or be deemed a conflict.

(g) The fact that a county or municipal officer or member of a public board or body, including a district school officer or an officer of any district within a county, is a stockholder, officer, or director of a bank will not bar such bank from qualifying as a depository of funds coming under the jurisdiction of any such public board or body, provided it appears in the records of the agency that the governing body of the agency has determined that such officer or member of a public board or body has not favored such bank over other qualified banks.

(h) The transaction is made pursuant to s. [1004.22](#) or s. [1004.23](#) and is specifically approved by the president and the chair of the university board of trustees. 1. The price and terms of the transaction are available to similarly situated members of the general public; and
2. The officer or employee makes full disclosure of the relationship to the agency head or governing body prior to the transaction.

(13) COUNTY AND MUNICIPAL ORDINANCES AND SPECIAL DISTRICT AND SCHOOL DISTRICT RESOLUTIONS REGULATING FORMER OFFICERS OR EMPLOYEES.—The governing body of any county or municipality may adopt an ordinance and the governing body of any special district or school district may adopt a resolution providing that an appointed county, municipal, special district, or school district officer or a county, municipal, special district, or school district employee may not personally represent another person or entity for compensation before the government body or agency of which the individual was an officer or employee for a period of 2 years following vacation of office or termination of employment, except for the purposes of collective bargaining. Nothing in this section may be construed to prohibit such ordinance or resolution.

(14) LOBBYING BY FORMER LOCAL OFFICERS; PROHIBITION.—A person who has been elected to

any county, municipal, special district, or school district office or appointed superintendent of a school district may not personally represent another person or entity for compensation before the government body or agency of which the person was an officer for a period of 2 years after vacating that office. For purposes of this subsection:

(16) LOCAL GOVERNMENT ATTORNEYS.—

(a) For the purposes of this section, “local government attorney” means any individual who routinely serves as the attorney for a unit of local government. The term shall not include any person who renders legal services to a unit of local government pursuant to contract limited to a specific issue or subject, to specific litigation, or to a specific administrative proceeding. For the purposes of this section, “unit of local government” includes, but is not limited to, municipalities, counties, and special districts.

(b) It shall not constitute a violation of subsection (3) or subsection (7) for a unit of local

government to contract with a law firm, operating as either a partnership or a professional association, or in any combination thereof, or with a local government attorney who is a member of or is otherwise associated with the law firm, to provide any or all legal services to the unit of local government, so long as the local government attorney is not a full-time employee or member of the governing body of the unit of local government. However, the standards of conduct as provided in subsections (2), (4), (5), (6), and (8) shall apply to any person who serves as a local government attorney.

(c) No local government attorney or law firm in which the local government attorney is a member, partner, or employee shall represent a private individual or entity before the unit of local government to which the local government attorney provides legal services. A local government attorney whose contract with the unit of local government does not include provisions that authorize or mandate the use of the law firm of the local government attorney to complete legal services for the unit of local government shall not recommend or otherwise refer legal work to that attorney's law firm to be completed for the unit of local government.

(17) BOARD OF GOVERNORS AND BOARDS OF TRUSTEES.—No citizen member of the Board of Governors of the State University System, nor any citizen member of a board of trustees of a local constituent university, shall have or hold any employment or contractual relationship as a legislative lobbyist requiring annual registration and reporting pursuant to s. (b) 1. Any portion of a meeting at which a negotiation with a vendor is conducted pursuant to a competitive solicitation, at which a vendor makes an oral presentation as part of a competitive solicitation, or at which a vendor answers questions as part of a competitive solicitation is exempt from s. 286.011 and s. 24(b), Art. I of the State Constitution until such time as the agency provides notice of an intended decision concerning the reissued competitive solicitation or until the agency withdraws the reissued competitive solicitation. A recording and any records presented at an exempt meeting are not exempt for longer than 12 months after the initial agency notice rejecting all bids, proposals, or replies.

History.—s. 2, ch. 2001-361; s. 44, ch. 2005-251; s. 2, ch. 2006-158; s. 2, ch. 2006-284; s. 13, ch. 2010-151; s. 2, ch. 2011-140; s. 2, ch. 2016-49; s. 3, ch. 2018-146.

286.0114 Public meetings; reasonable opportunity to be heard; attorney fees.—

(1) For purposes of this section, “board or commission” means a board or commission of any state agency or authority or of any agency or authority of a county, municipal corporation, or political subdivision.

(2) Members of the public shall be given a reasonable opportunity to be heard on a proposition before a board or commission. The opportunity to be heard need not occur at the same meeting at which the board or commission takes official action on the proposition if the opportunity occurs at a meeting that is during the decision-making process and is within reasonable proximity in time before the meeting at which the board or commission takes the official action. This section does not prohibit a board or commission from maintaining orderly conduct or proper decorum in a public meeting. The opportunity to be heard is subject to rules or policies adopted by the board or commission, as provided in subsection (4).

(3) The requirements in subsection (2) do not apply to:

(a) An official act that must be taken to deal with an emergency situation affecting the public health, welfare, or safety, if compliance with the requirements would cause an unreasonable delay in the ability of the board or commission to act;

(b) An official act involving no more than a ministerial act, including, but not limited to, approval of minutes and ceremonial proclamations;

(c) A meeting that is exempt from s. 286.011; or

(d) A meeting during which the board or commission is acting in a quasi-judicial capacity. This paragraph does not affect the right of a person to be heard as otherwise provided by law.

(4) Rules or policies of a board or commission which govern the opportunity to be heard are limited to those that:

(a) Provide guidelines regarding the amount of time an individual has to address the board or commission;

(b) Prescribe procedures for allowing representatives of groups or factions on a proposition to address the board or commission, rather than all members of such groups or factions, at meetings in which a large number of individuals wish to be heard;

(c) Prescribe procedures or forms for an individual to use in order to inform the board or commission of a desire to be heard; to indicate his or her support, opposition, or neutrality on a proposition; and to indicate his or her designation of a representative to speak for him or her or his or her group on a proposition if he or she so chooses; or

(d) Designate a specified period of time for public comment.

(5) If a board or commission adopts rules or policies in compliance with this section and follows such rules or policies when providing an opportunity for members of the public to be heard, the board or commission is deemed to be acting in compliance with this section.

(6) A circuit court has jurisdiction to issue an injunction for the purpose of enforcing this section upon the filing of an application for such injunction by a citizen of this state.

(7) (a) Whenever an action is filed against a board or commission to enforce this section, the court shall assess reasonable attorney fees against such board or commission if the court determines that the defendant to such action acted in violation of this section. The court may assess reasonable attorney fees against the individual filing such an action if the court finds that the action was filed in bad faith or was frivolous. This paragraph does not apply to a state attorney or his or her duly authorized assistants or an officer charged with enforcing this section.

(b) Whenever a board or commission appeals a court order that has found the board or commission to have violated this section, and such order is affirmed, the court shall assess reasonable attorney fees for the appeal against such board or commission.

(8) An action taken by a board or commission which is found to be in violation of this section is not void as a result of that violation.

History.—s. 1, ch. 2013-227.

286.0115 Access to local public officials; quasi-judicial proceedings on local government land use matters. —

(1) (a) A county or municipality may adopt an ordinance or resolution removing the presumption of prejudice from ex parte communications with local public officials by establishing a process to disclose ex parte communications with such officials pursuant to this subsection or by adopting an alternative process for such disclosure. However, this subsection does not require a county or municipality to adopt any ordinance or resolution establishing a disclosure process.

(b) As used in this subsection, the term “local public official” means any elected or appointed public official holding a county or municipal office who recommends or takes quasi-judicial action as a member of a board or commission. The term does not include a member of the board or commission of any state agency or authority.

(c) Any person not otherwise prohibited by statute, charter provision, or ordinance may discuss with any local public official the merits of any matter on which action may be taken by any board or commission on which the local public official is a member. If adopted by county or municipal ordinance or resolution, adherence to the following procedures shall remove the presumption of prejudice arising from ex parte communications with local public officials.

1. The substance of any ex parte communication with a local public official which relates to quasi-judicial action pending before the official is not presumed prejudicial to the action if the subject of the communication and the identity of the person, group, or entity with whom the communication took place is disclosed and made a part of the record before final action on the matter.

2. A local public official may read a written communication from any person. However, a written communication that relates to quasi-judicial action pending before a local public official shall not be presumed prejudicial to the action, and such written communication shall be made a part of the record before final action on the matter.

3. Local public officials may conduct investigations and site visits and may receive expert opinions regarding quasi-judicial action pending before them. Such activities shall not be presumed prejudicial to the action if the existence of the investigation, site visit, or expert opinion is made a part of the record before final action on the matter.

4. Disclosure made pursuant to subparagraphs 1., 2., and 3. must be made before or during the public meeting at which a vote is taken on such matters, so that persons who have opinions contrary to those expressed in the ex parte communication are given a reasonable opportunity to refute or respond to the communication. This subsection does not subject local public officials to part III of chapter 112 for not complying with this paragraph.

(2) (a) Notwithstanding the provisions of subsection (1), a county or municipality may adopt an ordinance or resolution establishing the procedures and provisions of this subsection for quasi-judicial proceedings on local government land use matters. The ordinance or resolution shall provide procedures and provisions identical to this subsection. However, this subsection does not require a county or municipality to adopt such an ordinance or resolution.

(b) In a quasi-judicial proceeding on local government land use matters, a person who appears before the decision-making body who is not a party or party-intervenor shall be allowed to testify before the decision-making body, subject to control by the decision-making body, and may be requested to respond to questions from the decision-making body, but need not be sworn as a witness, is not required to be subject to cross-examination, and is not required to be qualified as an expert witness. The decision-making body shall assign weight and credibility to such testimony as it deems appropriate. A party or party-intervenor in a quasi-judicial proceeding on local government land use matters, upon request by another party or party-intervenor, shall be sworn as a witness, shall be subject to cross-examination by other parties or party-intervenors, and shall be required to be qualified as an expert witness, as appropriate.

(c) In a quasi-judicial proceeding on local government land use matters, a person may not be precluded from communicating directly with a member of the decision-making body by application of ex parte communication prohibitions. Disclosure of such communications by a member of the decision-making body is not required, and such nondisclosure shall not be presumed prejudicial to the decision of the decision-making body. All decisions of the decision-making body in a quasi-judicial proceeding on local government land use matters must be supported by substantial, competent evidence in the record pertinent to the proceeding, irrespective of such communications.

(3) This section does not restrict the authority of any board or commission to establish rules or procedures governing public hearings or contacts with local public officials.

History.—s. 1, ch. 95-352; s. 31, ch. 96-324.

286.012 Voting requirement at meetings of governmental bodies. — A member of a state, county, or municipal governmental board, commission, or agency who is present at a meeting of any such body at which an official decision, ruling, or other official act is to be taken or adopted may not abstain from voting in regard to any such decision, ruling, or act; and a vote shall be recorded or counted for each such member present, unless, with respect to any such member, there is, or appears to be, a possible conflict of interest under s. 112.311, s. 112.313, s. 112.3143, or additional or more stringent standards of conduct, if any, adopted pursuant to s. 112.326. If there is, or appears to be, a possible conflict under s. 112.311, s. 112.313, or s. 112.3143, the member shall comply with the disclosure requirements of s. 112.3143. If the only conflict or possible conflict is one arising from the additional or more stringent standards adopted pursuant to s. 112.326, the member shall comply with any disclosure requirements adopted pursuant to s.

112.326. If the official decision, ruling, or act occurs in the context of a quasi-judicial proceeding, a member may abstain from voting on such matter if the abstention is to assure a fair proceeding free from potential bias or prejudice.

History.—s. 1, ch. 72-311; s. 9, ch. 75-208; s. 2, ch. 84-357; s. 13, ch. 94-277; s. 19, ch. 2013-36; s. 7, ch. 2014-183.

286.26 Accessibility of public meetings to the physically handicapped. —

(1) Whenever any board or commission of any state agency or authority, or of any agency or authority of any county, municipal corporation, or other political subdivision, which has scheduled a meeting at which official acts are to be taken receives, at least 48 hours prior to the meeting, a written request by a physically handicapped person to attend the meeting, directed to the chairperson or director of such board, commission, agency, or authority, such chairperson or director shall provide a manner by which such person may attend the meeting at its scheduled site or reschedule the meeting to a site which would be accessible to such person.

(2) If an affected handicapped person objects in the written request, nothing contained in the provisions of this section shall be construed or interpreted to permit the use of human physical assistance to the physically handicapped in lieu of the construction or use of ramps or other mechanical devices in order to comply with the provisions of this section.

History.—s. 1, ch. 77-277; s. 1, ch. 79-170; s. 116, ch. 79-400; s. 1, ch. 81-268.

MEMORANDUM

TOWN OF PONCE INLET, CULTURAL SERVICES DEPARTMENT

The Town of Ponce Inlet staff shall be professional, caring and fair in delivering community excellence while ensuring Ponce Inlet residents obtain the greatest value for their tax dollar.

To: Cultural Services, Historic Preservation, and Tree Advisory Board
From: Jackie Alex, Cultural Services Manager
Date: December 20, 2024
Subject: Proposed budget items for FY 25/26

MEETING DATE: January 6, 2025

As the time to propose budgetary items for the upcoming fiscal year approaches, staff would like to open discussion and seek input from the Board on budget proposals from the Cultural Services Department, as described below.

The purpose of this discussion is to provide feedback on whether to propose these items for next fiscal year, not to review specific design proposals or cost estimates.

Item #1: Cocoa Bill historic marker

- At the Cultural Services Board meeting on December 2, 2024, the Board recommended approval of certain design elements for the marker and to present it during budget considerations for FY 25/26. (**Attachment 1**).
- Staff estimates the costs associated with design and installation to be approximately \$3,500, as consistent with other markers throughout Town.
- This item would come back before this Board at a future meeting for design review.

Item #2: Pickleball Court Covers

- Staff has researched potential improvements to provide a protective covering over the north pickleball courts at Pollard Park. Staff recommends a design that would eliminate the need for court closures due to maintenance work on the cell tower adjacent to the courts.
- Staff estimates the costs associated with this project to be approximately \$180,000.
- This item would come back before this Board at a future meeting for design review.

Item #3: Potential ideas for additional research

This item is to discuss new potential ideas from Board members as well as items that have been previously discussed. This is an opportunity to select key projects and prioritize those that align with town goals.

- Exterior improvements to the Kay & Ayres Davies Lighthouse Park restroom facilities
 - Current exterior art is from a community project almost 20 years ago. The paint is beginning to fade and wear.
 - Previous discussion has been centered around either re-painting or installing a brick façade. These suggestions were made in response to rescinding an original recommendation for a public art competition.

- Kayak staging area at the Jesse Linzy Boat Ramp
 - Previous discussion from the Board was for staff to consider a kayak staging area, not a kayak launch.

- Additional elements in decorating for the holiday season
 - Previously, the Board recommended to continue decorating Pollard Park using in-house staff for the holiday season, and to increase the budget for the Tree Lighting Ceremony.
 - Due to the frequency of hurricanes and strong winds, staff recommends the Town consider an artificial tree for this event moving forward.
 - Staff requests discussion from the Board on potential improvements to this event, including the possibility of hiring a company to decorate for the holiday season.

- Open discussion for new ideas proposed by Board members

If requested by the Board to research any items, staff would provide this information for the Board's final recommendation by no later than the on March 3, 2025, meeting.

Staff requests the Board provide its input on these proposed ideas and on which budget items to include for fiscal year 2025/2026.

MEMORANDUM

TOWN OF PONCE INLET, CULTURAL SERVICES DEPARTMENT

The Town of Ponce Inlet staff shall be professional, caring and fair in delivering community excellence while ensuring Ponce Inlet residents obtain the greatest value for their tax dollar.

To: Cultural Services, Historic Preservation, and Tree Advisory Board
 From: Jackie Alex, Cultural Services Manager
 Date: November 25, 2024
 Subject: Marker for William “Cocoa Bill” Williams

MEETING DATE: December 2, 2024

This report provides an overview of a request from two Ponce Inlet residents to install a historic marker honoring William “Cocoa Bill” Williams, an African American individual whose contributions significantly shaped the Town. Arriving at Ponce Park in the 1890s, Cocoa Bill was a well-known fishing guide. Elizabeth Hasty, Ponce Park’s original post mistress, and her husband, Nathaniel, employed Cocoa Bill as their groundskeeper. The request aligns with ongoing efforts to honor Black History Month and recognize influential figures who have shaped the Town’s history.

The request for a historic marker honoring Cocoa Bill was submitted by Tara Lamb and Julie Davis, both founding members of Davis House Historic Preservation, Inc., which helped to create the Ponce Inlet Historical Museum. Their efforts continue those that resulted in the creation of the historic marker for Jesse Linzy, which was unveiled at the naming of the Town’s boat ramp in February 2022 (**Exhibit 1**). As the request for this marker did not originate from the direction of Town Council, staff is bringing it before this Board and the public for input.

Ms. Lamb and Ms. Davis have proposed verbiage for the marker in **Exhibit 2**, along with two choices of photo for consideration in **Exhibit 3**. Based on Cocoa Bill’s significance and connection to the Hasty family, staff proposes the location shown in **Exhibits 4-6** near the Hasty Cottage at the Ponce Inlet Historical Museum. This placement would ensure accessibility and visibility to residents and visitors of the museum.

If this marker is considered, staff recommends one that is consistent in design and material to the other historic markers throughout Town. Costs associated with design and installation of the marker are estimated at \$3,500 if the size of the marker is requested to be 2’x2’ like that of Jesse Linzy’s. As this marker is not budgeted, both residents have suggested potential alternative funding sources and are prepared to add that to this discussion.

Cocoa Bill’s contributions reflect values of unity, which staff believes make him a fitting subject for recognition, especially during Black History Month in February. That is when both residents

have requested a ceremony to unveil the marker. If time does not allow for completion of the marker by February, the backup date for the unveiling ceremony would be in May. However, if alternative funding sources cannot be found, staff may need to wait until June during mid-year budget adjustments to confirm if any unspent town funds are available.

Staff requests the input and recommendation from the Board on the marker's verbiage, choice in photo, location, desired landscaping, and funding source.

William "Cocoa Bill" Williams

Fondly known as Cocoa Bill by the residents of the small fishing hamlet of Ponce Park, Cocoa Bill arrived here around 1893. He served as the loyal handyman to Nathaniel and Elizabeth Hasty for sixteen years. After the Hastys passed away, Cocoa Bill stayed in Ponce Park and worked as a local fishing guide for 23 more years. Tragically on August 28, 1932, at 4:00 am Cocoa Bill was hit and killed by an automobile on South Atlantic Avenue just south of the Daytona Beach city limits. The citizens of Ponce Park were devastated by the loss of their well-loved fishing guide and wanted to ensure he received a proper burial. Due to the Jim Crow era, they had to obtain a special act from the Florida legislature to allow Cocoa Bill to be buried in the Hasty Family Cemetery, dressed in a full tuxedo.
